SALEM LEGISLATURE.

The Bill to Fix Interest on Loans From School Fund Recommitted-The State Fair Appropriation.

In the Oregon senate Wednesday the ote was reconsidered by which the bill to reduce interest on loans from the The senate has passed a bill creating state school fund was passed Tuesday the office of admiral of the navy. in order that the rate might be fixed absolutely at 6 per cent, the bill as passed authorizing 8 per cent if it could be obtained. It was deemed an objectress was sighted off Dread ledge, in Swampscott bay, Mass. The life-say-

bill was recommitted for amendment.

Dufin's bill to extend the privileges of the Soldeirs' Home to the wives and widows of old soldiers was lost, receiv-

ing only six votes.

The following bills were passed: To reduce the salary of the Wasco county judge to \$800 and that of the treasurer to \$600; to do away with the necessity of personal service or posting notice in case of attachment of real property; to create the office of recorder of conveyances for Polk county at a salary of \$1,000 per year; to provide the manner of releasing sureties who may become dissatisfied with 'their risk; to provide that surety companies may sign bonds; to cure defects in certain deeds and judicial sales: to amend the law to as to retarict credits to the sheriff on the tax list charged against him.

State Fair Appropriation Knocked Out. The Wednesday forenoon session of in action. They number nine. Among the house was devoted largely to reports the names appear those of Private Dan- of committees and first reading of bills. iel Kyger and W. Chopwood, First Twenty-seven committees made reports and 58 bills were reported on.

The principal business to occupy the time of the house in the afternoon was Monday, and sent word he thought it the consideration of the general appropriation bill. The house went into committee of the whole and the various items were taken up one at a time. The most important item knocked out was the state fair appropriation, by a vote of 29 to 20. Other bills passed were: To pro-

There is reported a serious hitch in hibit the manufacture and sale of adulcial tax of 10 mills and a road poll tax sale of deer and deer hides from August mines and supply agents furnishing Terrible blizzards swept over the supplies a lien on mining property for terms in the second district; to fix salaries of county judges and to place the clerk of the supreme court upon a salary of \$8,000 and give him two depu-

In the Oregon senate Thursday, Harmon's registration bill was passed by unanimous vote. The merits of the bill were discussed at length on Mitchell's motion to recommit which finally received only his own vote. In The secretary of war has given orders debate the expressions were generally unfavorable to the Hill bill, which passed the house a few days ago by a decisive vote.

The pure food bill passed the senate by a unanimous vote. There was no mittee, carries \$4,744,798, as against objection to the main feature of the bill, but a slight amendment was made so as to exempt from making annual reports persons selling less than 25 pounds of butter weekly; specifying the number and the pay of employes of the legislature, including committee clerks, was passed without discussion,

Other bills passed were to incorporate Eugene, Carleton, Burns, Prineville and Canby, the two last named being house bills.

Daly School Law.

Two important measures came before the Oregon senate Friday, and neither reached a vote. Amendments to the Daly school law were discussed for half ing are reported from the East. At an hour, and the matter being difficult Bloomington, Ind., J. W. Hinkle, who to understand, in its present form, the entire bill was ordered printed again with amendments.

The bill to encourage the use of widetire wagons on public roads was passed. The bill to repeal the section appropriating \$5,000 for the state fair was discussed half an hour and then made a special order for Wednesday morning. The pure linseed-oil bill was lost, 13 to 11: the bill providing for the Torrens system of registering land titles passed with only three negative votes; the bill for an irreducible school fund in Douglas county passed without question; the bill to reduce the salaries of the county clerk, clerk of the circuit court and recorder in Multnomah county from \$3,500 to \$2,500 each was passed.

New bills were introduced as follows: To authorize the state school land board to contract loans now out at 6 per cent interest for the future; to provide for the appointment of three of chattel mortgages without suit; supreme court commissioners.

The vote by which Stanley's bill to regulate the practice of dentistry in Oregon was defeated Thursday, was reconsidered in the house Friday, and the bill passed by a vote of 34.

Two other important bills were passed. One is an amendment to the mining laws to facilitate the building of ditches and canals, of special interest to mining sections, and the other is a bill to withdraw certain school lands from public sale and reduce the interhundred children under the care of the est on loans of school funds in con-Roman Catholics, are said to have formity with recommendations of the governor in a recent message to both houses of the legislature.

In the house Thursday the following bills were passed: Senate bill providing for a separate board of county commissioners for Clackamas county; to authorize county courts and school districts to display flags on courthouses and schoolhouses, to amend the code relative to the loan of school funds by reducing the inte, "at rate to 6 per cent, and providing for foreclosure proceedings whenever interest becomes in arrears six months; to regulate the bringing of sheep from one county to another and directing inspection;

THE DALY TEXT-BOOK BILL.

It Was Temporarily Defeated in the

In the Oregon house Monday the Daly bill for a text-book commission failed by three votes to pass, but a motion for reconsideration was carried by a decisive majority. The greater part of the day was

taken up in discussion of the bill. The anti-crimping bill, which was referred to the Multnomah delegation last week, was reported back to the house and referred to the committee on commerce.

The afternoon session was given up to the consideration of charter bills, the following being passed: Michell, Dalles City and Moro; Kelly, Brownsville and Lebanon; Smith, Burns; Howe, Carlton; Proebstel, Weston; Dufur, Dufur; Fordney. Enterprise.

Gray secured the passage of a resolution authorizing the secretary of state to give each member and officer of the ouse a copy of the session laws of 1893, and a history of the e_r'y Indian

The following bills were passed: To protect salmon in Alsea bay and its tributaries; to create the office of clerk of the justice court in cities of 50,000 population or over; to authorize Multof the Oregon Railroad & Navigation relating to negotiable instruments; to protect salmon in Rogue river; to reorganize the state board of horticulture; to protect salmon in Curry county; to provide for the creation of park commissions in cities of 8,000 population or over; to require county clerks to administer oaths without charge in pen-

Kuykendall's bills to provide for county elections and upon the running at large of stock, and Cameron's bill to prohibit the running at large of certain animals, were defeated.

The house concurred in the senate amendments to the Curtis fish hatchery bill, reducing the amount of the appropriation from \$25,000 to \$15,000. In the Senate.

In the Orgon senate Monday the bill lands under the Carey act of congress was passed by a vote of 21 to 8, after being amended so as to prohibit any

Stillman's bill to withdraw school

lands from sale and place interest on

school-fund loans at 6 per cent, passed with only two opposing votes. The sugar-beet bounty bill was re- neys. mmitted to the judiciary committee for amendments, and the bill to reguindefinitely postponed, because another

bill covered the same ground. The bill to appropriate \$25,000 for salmon hatcheries passed by a vote of 17 to 11.

THE CAPITAL BILL DOOMED.

Not Enough Votes to Pass It Over the Governor's Veto In the Washington legislature Monday it developed that it would be impossible to muster enough votes to

pass the capitol building bill over the

governor's veto. The senate was in session but 15 minutes in the morning and adjourned. A resolution was adopted, expressing sympathy for the parents of Sergeant Miles E. Kyger and Daniel T. Kyger, jr., of Walla Walla, members of company I, Washington volunteers, who

died recently at Manila. Bills introduced were: Creating state board of tax commissioners, co sisting of the auditor, secretary of state and land commissioner, to assess railroad property for taxation; providing that \$3 worth of poison be furnished by the county to each farmer to kil' ground squirrels.

In the House.

The Washington house held sessions both morning and afternoon. At the morning session bills introduced were: Releasing personal property from custody, pending appeal; prohibiting taxing of attorney fees as costs; viding for the county licensing of dlers; providing for the appointm of a hop inspector; relating to st school taxes; exempting from taxat property of religious, charitable educational institutions; prescrib the powers and duties of wreckn ters; relating to the disqualification judges; providing for the foreclos viding for the appointment of an officio surveyor-general and deput relating to assessments for local

The bill empowering colleges to issue normal diplomas was indefinitely poponed after a long debate. At the afternoon session nine

over, nine read a second time, and for sent back to committees. Bills introduced were: Regulating fishing industry; making state fish

commissioner ex-officio game warden. Bills passed were: Giving cities power to define and punish vagrancy; as well as stormy, and although the bill relating to the method of decreasing the capital stock of corporations; compelling railroads to fence rights of way, and to pay for stock killed; designating the last Friday in October as the date for holding supervisors' elections; meanor insstead of cause for civil ac-

BANQUET STOPS BUSINESS.

The Olympia Solons Adjourn to Dine With Senator-Elect Foster. Both houses of the Washington legislature adjourned from Tuesday evening until 2 P. M. Wednesday, in order to give ample time to legislators and members of the press to participate in an informal banquet tendered at Tacoma by Senator-elect Foster.

In the senate Tuesday resolutions commending the bravery of Washington troops at Manila were adopted. The Gray-Mantz election case was

taken out of the hands of the committee which had been appointed to submit the matter to the supreme court, and the matter will now be practically settled by the senate as a whole. The permanent school fund invest-

ment bill was amended to permit investment in government and state bonds at par, 3 per cent interest, or in county, city and school district bonds at 4 per cent. The bill was then ordered engrossed. Bills introduced were: Allowing

O. M. Hidden \$103.50 for drawing plans for the waterworks for the Vancouver school for defective youth; compelling the serving of notice of action within 90 days after the filing of comnomah county to lease the upper deck plaints. At present a complaint may be filed and while not being served, Company's bridge; to provide for the any accounts involved do not outlaw; sale of tidelands; revision of the laws appropriating \$10,000 for the completion of the state road established in 1887 from Wenatchee via the Methow river to the mouth of the Twisp river; allowing cities to advance from one class to another at a special election called for that purpose.

> At the opening of the morning session of the Washington house Tuesday the speaker presented another remonstrance from the citizens of Stevens county against the creation of the county of Ferry.

Bills introduced were: To prohibit the removal of improvements from mortgaged property, without the consent of the mortgagee; prohibiting the sale of personal property, title to which has passed by a conditional sale; prescribing rates to be charged on sleeping to provide for the reclamation of arid care; for the protection of farmers et al., in the purchase of fertilizers; to provide for the extension of tax rolls by county auditors; (two bills) to one party from taking more than 150. amend the law relating to the organization and incorporation of municipal corporations; approrpriating \$715.63 for the relief of Captain Harry St. the payment of delinquent taxes on timber lands before the removal of the timber; relating to placing poison for the destruction of wild animals; relating to the bonds of prosecuting attor-

the whole on house bill 157, submitlate building and loan associations was ting a constitutional amendment, permitting alien ownership of lands, with Judge Mount in the chair.

When the committee arose it recommended that the bill be referred to the judiciary committee.

The committee on public buildings recommended the indefinite postponement of the senate capitol bill and the passage of a substitute bill that does not ecognize the award of a contract made by the old commission to F. H. Goss. The house indefinitely postponed the senate bill, and ordered that the substitute bill be printed.

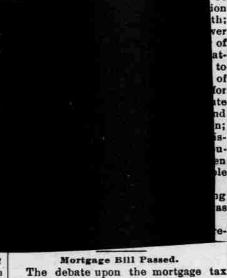

REAPPORTIONMENT BILL.

It Is Now a Law Without the Signature of Oregon's Governor.

Governor Geer Tuesday filed the re apportionment bill with the secretary of state, letting it become law without is signature.

Proebstel's bill to suppress nickel-inthe-slot machines passed the senate Tuesday, after a short debate. There was some objection to the bill on the ground that it would not be enforced. but even these objectors admitted it would have the effect of discrediting the machines and driving them into se-

Other bills passed were the following: To make the per diem of county commissioners \$3, except in Douglas, Lake, Klamath, Jackson, Yamhill,

bill of Whitney, passed in the Oregon house Tuesday, was at times eloquent passed by a decisive majority, the vote of some of the members was a surprise. The vote was 39 to 16, absent 5.

Other bills passed were: To make violation of the peddlers' law a misderegulating the sale of butter and tion, as at present; to amend the law cheese; providing for the organization relative to the sale of property for deof diking and ditching districts; giv- linquent taxes, so as to save labor ing electric railways the right of emi- and expense of posting notices; to esnent domain; granting rebates on road tablish a fiscal agency for Oregon in taxes to farmers using wide-tired ve- the state of New York; to regulate the business of local insurance companies, by requiring a certain capital and a cer-A light earthquake was felt at Chilli- tain number of policies before engaging the relef of J.
